No. 6. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Chief Secretary to Government, Fort Saint George, dated Madras, 21st September 1870, No. 552 :—

I have the honour, by direction of the President, to submit, in accordance with the Order of Government, dated 29th July 1870, No. 940, for the approval of Government, the form of Certificate to be given to Civilians who pass in Vernacular languages, according to the High Proficiency Test, and which is intended to be lithographed on vellum.

2. The Committee avail themselves of the present opportunity to state their conviction that documents of this nature are very much better executed in England, and they would ask Government to consider whether it would not be advisable to ask the Secretary of State to send a supply of Certificates for successful candidates by both the High Proficiency and Honours Tests.

No. 7. ORDER THEREON, 7th October 1870, No. 1238.

The Government approve of the form of Certificate proposed by the Committee for the Examination of Assistants. With reference to paragraph 2 of the letter above recorded, the Government do not consider it necessary to obtain these Certificates from the Secretary of State.
