*Proceedings of the Madras Government, Public Department,
13th October 1870.*

No. 94. Read the following letter from the Colonial Secretary, Colombo, to the Chief Secretary to Government, Fort Saint George, dated Colombo, 3rd October 1870, No. 48:—

I am directed by the Governor of Ceylon to transmit to you, for the information of the Right Honourable the Governor of Madras in Council, the enclosed copy of a letter from the Principal Civil Medical Officer and Inspector-General of Hospitals of this Government, with Returns of Deaths from Cholera in this Island during the months of July and August last.

From the Principal Civil Medical Officer and Inspector-General of Hospitals, to the Honourable the Colonial Secretary, dated Colombo, 23rd September 1870, No. 334.

With reference to your letter, No. 295, of the 26th ultimo, I have now the honour to transmit my Returns of Deaths from Cholera in the Island of Ceylon, during the months of July and August, drawn up on the plan adopted by the Sanitary Commissioner to the Government of Madras.

2. I am unable to add the population of each locality, and have, therefore, left that column blank.

3. Similar returns will be forwarded for September at the close of the month.

4. I am happy to be able to report that the disease has entirely disappeared from the Island with the exception of the village of Pesalle, in the Island of Mannar, through which the stream of immigrant coolies passes. A few cases continue to occur there.

5. My report on the origin and progress of the present outbreak of the disease in Ceylon will be forwarded in a few days.

RETURN showing Deaths from Cholera in the under-mentioned Towns and Districts, received from the Medical Officers, during the month of July 1870.
