[Budget Department.]

With reference to your endorsement, dated 25th instant, on a letter from the Acting Collector of Coimbatore, dated 18th idem, I have the honour to state that the actuals on account of Conservancy charges, to which head the proposed expenditure should be debited, amount already to Rupees 7720, against a provision of Rupees 2500.

- No. 9. ORDER THEREON, 2nd February 1870, No. 129.

The Governor in Council sanctions such expenditure as may be necessary for sanitary purposes connected with these festivals.

2. It is not clear for what purpose sheds are required at Karoovaloor. If pandals for the reception of pilgrims be meant such an expenditure is not justifiable.

3. The arrangements should be confined to the erection of latrines, in which trenches should be dug and those filled in daily—a system alike efficient and economical.
