Proceedings of the Madras Government, Public Department,
21st October 1870.

Read the following papers:—

No. 135. From the Acting President of the Municipal Commissions in Ganjam, to the Chief Secretary to Government, Fort Saint George, dated Chetterpore, 26th September 1870, No. 1288.

I have the honour to forward, herewith, copy of the Police Superintendent's account and details of the receipts of the Berhampore Municipality from fines and miscellaneous sources, as required in paragraph 3 of G. O., of the 12th August 1870, No. 1011.

No. 136. From the Vice-President of the Municipal Commission, Chicacole, to the President of the Ganjam Municipal Commissions in Ganjam, dated Chicacole, 17th September 1870, No. 22.

With reference to G. O., No. 1011, dated 12th August 1870, I have the honour submit the following explanations as therein called for.

2. In the collections of house-tax, for the past year, a sum of Rupees 159-9-0 was collected in arrears for 1868-69, making up the sum of Rupees 1,963-6-0, as shown in the margin. The particulars of fines and miscellaneous receipts are as follow:—

Arrears, 1868-69.	159	9	0

Total...	125	14	9

3. The actual cost of Police for the past year, as per statement from the Superintendent of Police, was Rupees 3,654-1-7, copy accompanying.

4. Rupees 403-5-6, refund of State contribution, are made up thus—

	RS.	A.	P.
As per Government Order, No. 1130, dated 12th August 1869 ...	381	5	6

These two latter items were included under the head "Miscellaneous," and the sum of Rupees 22 was accordingly overdrawn.

5. The State contribution on Rupees 385-8-3, recovered on account of Police charges overpaid in 1868-69, was not allowed for.

6. The bullock shed and store-room are unconnected with the tiled shops. These buildings were constructed solely for sheltering our conservancy bullocks

and carts, and for storing gram and fodder. The part cost of this work, namely, Rupees 200, as well as the cost of river steps, Rupees 252-2-2, and cistern and land for tank, Rupees 115, Government have transferred to "Purposes other than those mentioned in Section 25;" but I beg to observe that Government contributed for similar works in 1868-69 (*vide* G. O., 12th August 1869, No. 1130). I, therefore, request you will have the goodness to address Government on the subject, and obtain sanction for the State contribution on the above sums.

To the Chief Secretary to Government, Fort Saint George.

No. 137. ORDER THEREON, 21st October 1870, No. 1332.

Under the explanations given in the letter from the Vice-President of the Chicacole Municipality, it appears that arrears collections, amounting to Rupees 159-9-0, were included under the collections of house-rate in the statements embodied in G. O., 12th August 1870, No. 1011. The magisterial fines and warrant fees are alone to be included under fines, &c.; the remaining items entered by the Commissioners under this head, not being of a kind with reference to which Government

will contribute, should be shown as "Other receipts." The fines on contractors should probably have been set off against the sums paid to them; but, as the nature of the contracts has not been specified, the item must be allowed to stand. The current house-rate collections are, therefore, Rupees 1,803-13-0; the fines, &c., amount to Rupees 34-7-9; the total current collection to Rupees 8,026-4-9; and "Other receipts" to Rupees 1,032-3-9.

2. The cost of the bullock shed, &c., Rupees 200, may be charged to "New Works." The actual cost of the Police was Rupees 3,654-1-7, and, therefore, the quota due by the Commissioners was Rupees 2,740-9-3. They paid Rupees 2,931-3-0, or in excess Rupees 190-9-9, which is now to be refunded, and should appear as an advance recoverable. By these changes, New Works will be shown as costing Rupees 1,413-8-1; Police as Rupees 2,740-9-3; total under Section 25 as Rupees 9,799-4-7; outlay under Section 29 as Rupees 1,879-8-11; and refunds and advance recoverable as Rupees 593-15-3.

3. Including the full cost of the Police, the State contribution, if struck on the expenditure, would be Rupees 2,449-13-2, and if on the receipts, Rupees 2,675-12-3.

*Proceedings of the Madras Government, Public Department,
21st October 1870.*

The former sum is, therefore, the limit. The Commissioners drew during the year Rupees 1,627-2-3, and since its close Rupees 499-4-2, and have been allowed a Police remission of Rupees 913-8-4; total Rupees 3,039-14-9, or in excess Rupees 590-1-7. Adding the contribution to be re-paid on account of excess Police payments in 1868-69 refunded in 1869-70, Rupees 96-6-0, and deducting the overpayment of 1869-70, the net result is that the Commissioners owe to Government Rupees 495-13-10.

4. With reference to Berhampore, the Government observe that, in the statement of receipts, the fees for burning bricks should appear under the head "License Fees;" that the Government do not contribute with reference to the proceeds of the sale of trees; and that the fines on the conservancy establishment should have been set off against its cost. The total license fees will, therefore, be Rupees 34-4-0; fines, &c., Rupees 148-12-0; total current receipts, Rupees 12,684-3-4; other receipts, Rupees 12-14-0; and total receipts, Rupees 20,206-8-5.

5. The cost of the Police was Rupees 4,621-12-6. The payments made by the Commissioners on account of the items included in the Superintendent's statement were Rupees 3,284-4-4, or short of the proportion due by them by Rupees 182-1-7. The only change to be made in the abstract of expenditure is, therefore, the set off against the conservancy outlay of Rupees 7-7-7, and the consequent reduction of the totals to Rupees 16,508-15-2 and Rupees 20,206-8-5.

6. The Commissioners' payments sufficed to clear off Police charge to the extent of Rupees 4,379-0-5, leaving Rupees 242-12-1 still due. In this view, the State contribution, calculated on the expenditure, would be Rupees 4,127-3-9, and if on the receipts, Rupees 4,228-1-1. The former sum is, therefore, to be taken; and as the Commissioners received in cash Rupees 3,007-15-11, and in the above computation have been given credit for Rupees 1,094-12-1 under the head "Police," they are still entitled to Rupees 24-7-9. The President will cause the balance of Police charge to be paid without delay.

The current house rate collections are therefore Rs 1803-13-0; the fines in amount to Rs 34-7-9; the total current collection to Rs 8026-4-9 and "Other receipts" to Rs 1032-3-9.

2. The cost of the bullock shed &c Rs 200, may be charged to new works. The actual cost of the Police was Rs 3654-1-7 and therefore the quota due by the Commissioners was Rs 2440-9-3 They paid
