*Proceedings of the Madras Government, Public Department,
22nd October 1870.*

No. 157. Read the following letter from the Assistant Colonial Secretary, Mauritius, to the Chief Secretary to Government, Fort Saint George, dated Mauritius, 23rd September 1870, No. A-1628:—

In acknowledging receipt of your letter, No. 860, of the 13th July last, I am directed by His Honour the Officer Administering the Government to transmit, herewith, copy of a report from the Protector of Immigrants, giving the information required by the Protector of Emigrants, Madras.

Report, No. A-81, dated 15th September 1870.

REPORT No. A-81.

The immigrants who left Mauritius in the ship *Howard* on the 6th June 1869 had not deposited any money in my office for transmission to India. I was not informed by them of their having any money in their possession at the time of their departure.

2. Every immigrant who comes to me to have his intended departure registered is now questioned as to the money he possesses, and is advised to make a frank declaration, so that he may be protected from robberies during the passage, and assisted in conveying or remitting the money to the place where he is going. Many declarations have thus been elicited; and, although some coolies may still conceal their savings, I hope that the new rule will lead to a better ascertainment of the amounts taken to India by immigrants who have gone through their time of service.

15th September 1870.

(Signed) H. N. D. BEYTS,
Protector.
