Proceedings of the Madras Government, Public Department,
26th October 1870.

No. 189. Read the following letter from the Acting Magistrate of Tinnevelly, to the Chief Secretary to Government, Fort Saint George, dated Tinnevelly, 18th October 1870, No. 522:—

I have the honour to forward copy of a letter from the General Charge Deputy Collector, reporting on the sanitary arrangements made during the annual Adi Tirunal festival held in Cusbah Strivilliputtur, Strivilliputtur Taluq, in the month of July last, and to request sanction for the disbursement of Rupees 18-12-2. Rupees 40-6-4 were expended, of which sum Rupees 21-10-2 were raised by contribution and the sale of materials.

From the General Charge Deputy Collector of Tinnevelly, to the Acting Collector of Tinnevelly, dated 10th October 1870, No. 235.

I have the honour to report on the sanitary arrangements adopted during the annual Adi festival at Strivilliputtur.

2. FESTIVAL.—The festival commenced on the 22nd July and ended on the 8th of the following month, on which date the car reached its destination. The great days of the festival were the 23rd, 27th, 30th, and 31st July; the average attendance on those days from the different villages being about 15,000 persons.

3. The sanitary arrangements adopted during the festival were as follows.

4. LATRINES.—Three latrines, each twelve yards in length by ten yards in breadth, were erected outside the town, and Koravers employed for cleaning them and removing rubbish, &c., from the streets.

5. WATER PANDALS.—In consequence of the scarcity of water, two water pandals were established and water supplied to the people.

6. PUBLIC HEALTH.—The public health was good, and there was a Dresser present with medicine, but no sickness of any kind made its appearance.

7. POLICE.—The Police were attentive to their duty, and there was but one case of theft, in which the offender was brought to punishment. On the first day of the festival, however, there was an accident, an Aiyengar Brahmin having fallen down and the wheels of the “Chapram” having passed over him, causing instantaneous death. This was owing to his own imprudence.

8. EXPENSE.—The total expenditure, after deducting the sum realized by the sale of the materials of the latrines, is Rupees 37-8-4, of which a moiety has been contributed by the pagoda people; and I respectfully request that sanction may be obtained for the disbursement of the remainder, or Rupees 18-12-2, from the Government Treasury.
