*Proceedings of the Madras Government, Public Department,
2nd November 1870.*

No. 8. Read the following letter from the Officiating President of the Municipal Commission, Masulipatam, to the Under Secretary to Government, Fort Saint George, dated Masulipatam, 10th October 1870, No. 4458:—

I have the honour to submit, for sanction and insertion in the *Fort Saint George Gazette*, a bye-law* proposed by the Municipal Commissioners for the town of Masulipatam, as, without some provision to this effect, the Commissioners find it difficult to keep the roads in good order.

* "That, when a special road is provided at the side of any metalled road or street expressly for carts without springs, such carts shall not go upon the metalled road."

2. I believe similar bye-laws have been sanctioned in other Municipalities, and no inconvenience is likely to be occasioned for the carts, as side roads are intended to be provided for them.

No. 9. ORDER THEREON, 2nd November 1870, No. 1413.

The Government decline to pass a general bye-law confining heavy traffic, or vehicles without springs, to the sides of the roads. The restriction should only be imposed when the sides are metalled. The phrase "when a special road is provided at the sides" is ambiguous in this respect.
