Proceedings of the Madras Government, Public Department,
5th November 1870.

No. 33. Read the following letter from Mr. T. E. GREENFIELD, Assistant Pay Examiner, to the Chief Secretary to Government, Fort Saint George, dated Madras, 20th October 1870:—

With reference to the Order of Government in the Public Department, dated 13th February 1867, No. 155, I have the honour to report that I have examined the stock of the Stationery Depot remaining on the 1st September 1870.

2. The statement of "Remains," furnished to me by the Inspector-General of Ordnance and Magazines on the 28th September, is herewith forwarded, in which I have entered, in the column left for that purpose, the quantity of stock found in the Depot.

3. I also forward a list of surplus and deficient articles. The discrepancies are few and unimportant.

4. The supply of Bibles and Prayer Books is still large*, and no issues have been made for some years of the "Tracts", numbered in the list from 149 to 174 (School Books), probably because it is not generally known that they are available for issue. In a G. O. of the Commander-in-Chief in India, No. 376, of the 29th December 1869, a list of these tracts, which are supplied to Regimental Hospitals, was published, and this G. O. was re-published in Bombay G. O. by the Commander-in-Chief, 24th August 1870, No. 496. It has not, however, been re-published in Madras, I believe.

5. As in former years, I have to report that there is a large quantity of printing paper in bales in the open yard of the Arsenal.

No. 34. ORDER THEREON, 5th November 1870, No. 1432.

The Government learn from the foregoing report from Mr. Greenfield that his examination of the stock in the Stationery Depot on the 1st September 1870 was, with a few unimportant exceptions, satisfactory.

2. The Inspector-General of Ordnance and Magazines may, if he deems it necessary, furnish to the Adjutant-General's office, for communication to Officers Commanding Regiments, lists of the tracts in store, with the prices charged for each. It does not appear necessary to publish this list in the *Fort Saint George Gazette*.

3. The question of enlarging the accommodation for the Stationery Depot was, it is observed, referred in G. O., dated the 10th October 1869, No. 1264, to the Military Department for consideration.

4. The sum of Rupees 200 will be paid to Mr. Greenfield as remuneration for his services.
