The President will regulate the State contribution to the Municipality of Vellore within the year with reference to the current collections of taxes, &c., under the Act, less the sum paid towards the cost of the Police directly by Government. It is to be distinctly understood that the amounts will be subject to adjustment when, after the close of the year, the accounts are reviewed by Government. It is observed that the current collections in Vellore in 1869-70 were only Rupees 18,943-14-6, considerably less than the sum, Rupees 22,750, on which contribution is now claimed.
