*Proceedings of the Madras Government, Public Department,  
4th February 1870.*

Read the following papers :—

No. 32. From the President of the Municipal Commission, Mayaveram, to the Chief Secretary to Government, Fort Saint George, dated Vallam, 28th December 1869, No. 175.

In reply to the Under Secretary's Official Memorandum, dated 25th November 1869, No. 505, I have the honour to enclose copy of a Resolution passed by the Commissioners of the Mayaveram Municipality on the 13th December 1869. The Government will observe that the Commissioners propose to contribute Rupees 10 towards the salary of the Hospital Assistant attached to the branch Dispensary at Mayaveram.

Extract from the Proceedings of the Municipal Commissioners for the Town of Mayaveram, dated 13th December 1869.

Read again the letter of the President, dated 3rd December 1869, No. 163, accompanied by the Memorandum of the Under Secretary to Government.

Resolved that the following Resolution be recorded :—

The Commissioners considering that a second-class dresser has been appointed to the Dispensary on their application, instead of the third-class dresser attached to the Head Assistant Collector's office, are happy to allot Rupees 10 per month towards the pay of the former officer. They, however, respectfully beg to represent to Government that they asked for an Apothecary, or at lowest, a first-class dresser as the condition under which they would be willing to contribute. The allowance can be given from any time the Government may see fit to direct.

No. 33. From the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 18th January 1870, No. 16.

In reply to your Under Secretary's Memorandum, No. 8, of the 11th current, I have the honour to state that by an Hospital Assistant "of a superior grade" was meant one of either the first or the second class.

2. Hospital Assistants of the latter grade are men of from seven to thirteen years' service, and are considered perfectly eligible for the charge of provincial Dispensaries; six of them being in fact employed at present in such positions.

3. I am, therefore, of opinion that the wants of the Mayaveram Dispensary will be sufficiently met by the appointment of second-class Hospital Assistant Dava-sagayum, a subordinate of ten years' service.

4. The enclosures of the memorandum under reference are herewith returned.
