*Proceedings of the Madras Government, Public Department,
10th November 1870.*

No. 66. Read the following Proceedings of the Board of Revenue, dated 5th September 1870, No. 5594:—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 8th August 1870, No. 277:—

The Head Assistant, whose head-quarters used to be at Hospett, was removed to another part of the district in the early part of 1868, and the three western taluqs, Hadgally, Hurpunhully, and Kudlighi, were formed into the Deputy Collector's Division. These taluqs are notoriously feverish, and there is no medical aid whatever procurable in the division.

2. Venkatachellum Puntulu, the Deputy Collector who has lately joined his appointment in this district, represents very strongly the necessity of a medical subordinate being attached to his office, and I agree with him that one should be appointed.

3. The idea of fixing a dispensary at Hadgally, which was once entertained, has been abandoned under the recent orders of Government on the subject.—*Vide* Government Order, No. 805, dated 28th June 1870.

4. Under these circumstances, I have the honour to request that, as in the case *Vide* Government Order, No. 1636, of the Head Assistant at Pennakonda, the Government dated 30th November 1869, may be urged to grant the services of a medical subordinate to the Deputy Collector on general duties.

Submitted for the favourable consideration of Government.
