Read the following papers :—

No. 35. From the Agent to the Governor of Fort Saint George in Vizagapatam, to the Chief Secretary to Government, Fort Saint George, dated Parvatipur, 6th December 1869, No. 428.

I have the honour to submit, for the consideration and orders of Government, a request on the part of the Maharajah of Vizianagram, that the supervision of his Dispensary at Vizianagram may be considered to form part of the duties of the Medical Officer attached to the Regiment at the station.

2. The Dispensary is distant about half a mile from the Regimental lines, and while its supervision by a European Medical Officer would greatly enhance the value of the Institution, the work would not entail any inconvenient demand on the services of the Medical Officer.

Referred to the Inspector-General of the Indian Medical Department for report on the arrangement proposed in the letter above recorded.

FORT SAINT GEORGE,
20th December 1869.

(Signed) R. S. ELLIS,
Chief Secretary.

No. 36. From the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 6th January 1870, No. 4.

In returning the enclosed letter from the Agent to the Governor in Vizagapatam, referred to me under your endorsement of the 20th ultimo, I have the honour to state that I see no objection to the Dispensary of His Highness the Maharajah of Vizianagram being placed under the charge of the Regimental Medical Officer at that station.

2. I would beg to suggest, however, that, as such a charge is quite foreign to the duties of a Military Medical Officer, an allowance should be granted for it; as in the case of the Dispensary of His Highness the Maharajah of Travancore at Quilon; for the charge of which the Regimental Medical Officer at that station receives Rupees 100 per mensem.—*Vide* Proceedings of Government, Political Department, No. 169, of 23rd July 1866.

No. 37. ORDER THEREON, 4th February 1870, No. 146.

The Government consider that 50 rupees per mensem should suffice as remuneration to the Regimental Medical Officer at Vizianagram for the supervision of the Dispensary in question. The Agent to the Governor, Vizagapatam, will accordingly inquire if the Maharajah of Vizianagram is willing to grant such allowance.
