No. 91. ORDER THEREON, 18th November 1870, No. 1477.

In their Order, dated the 22nd February 1869, No. 238, the Government saw no sufficient reason for making any change in the arrangements then existing under which public offices were supplied with punkahs and tatties.

2. Those arrangements did not admit of the employment of punkah coolies or men for watering tatties, and the Government are not prepared now, having regard to the state of the finances, to give effect to the course prescribed in the letter from the Secretary to the Government of India, Home Department, dated the 20th August 1870, No. 3866, as it would involve a considerable additional charge annually on Imperial revenues.
