*Proceedings of the Madras Government, Public Department,
18th November 1870.*

Read the following papers:—

No. 92. From the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 13th October 1870, No. 246.

A reference having been made to this office as to whether a Medical Officer in charge of a civil station, proceeding on sick leave to England under the furlough rules of 1854, would, as hitherto, be entitled, on his return, to resume the same medical charge, I have the honour to submit the question for the decision of Government.

2. It appears to me that G. O., No. 894, of the 30th June 1869, does not apply to such a case, but refers only to those "taking furlough under the new military rules," viz., those of 1868; but I would respectfully solicit the opinion of Government on this point for the information of the Department.

No. 93.

MEMORANDUM.

Audit Department.

With reference to the Memorandum from the Under Secretary to Government, Public Department, No. 296, dated 27th instant, the undersigned has the honour to state that the orders of the Government of India of May 1854, referred to in paragraph 1 of Extract from Minutes of Consultation, 5th July 1856, No. 723, apparently conferred upon Medical Officers in civil employ all the advantages enjoyed by Military Officers on detached employment; and, as Military Staff Officers are, under those rules, allowed to retain their appointments during leave of absence for twenty months on medical certificates, and are entitled, on return, to resume the appointments which they held when proceeding on leave under those regulations, it would seem that Medical Officers in civil employ, who abide by the regulations of 1854, are likewise entitled, on return from sick leave, to return to the same medical charge which they held when they left India.

FORT SAINT GEORGE,

(Signed) F. LUSHINGTON,

29th October 1870.

Accountant-General.

To the Chief Secretary to Government, Fort Saint George.

No. 94. ORDER THEREON, 18th November 1870, No. 1491.

The Government consider that the ruling of the Government of India in the Home Department, 9th June 1869, No. 2663, applies to all furloughs taken by Medical Officers, whether under the old rules or the new. It is observed that, though the discussion originated in the Military Department with reference to the new furlough rules, no reference was made to those rules, either in the questions put to the local Governments, or in the Resolution thereon. It is, therefore, to be presumed that the Resolution was intended to have general application, and the considerations which led to its issue (*vide* letter from the Government of Bengal in Proceedings, 30th April 1869,) are equally applicable to furloughs under either set of rules.

NOVEMBER.
Nos. 92-94.

Considering that the ruling of the Government of India in the Home Department, dated 3th June 1869, No. 2063, applies to all furloughs taken by Medical Officers, whether under the old or new rules.

Memorandum

With reference to the Memo: from the Under Secretary to Government Public Department No: 296 dated 27th Instant, the undersigned has the honor to state, that the orders of the Government of India of May 1854, referred to in para 1 of Extract of Minutes of Consultation 5th July/56 No: 723 apparently conferred upon Medical Officers in Civil Employ, all the advantages enjoyed by Military Officers on detached employment, and as Military Staff Officers are under those rules allowed to retain their appointments during leave of absence for 20 months on Medical Certificates and are entitled on return to resume the appointments which they held when proceeding on leave under those regulations, it would seem that Medical Officers in Civil Employ who abide by the Regulations of 54, are likewise entitled on return from such leave to return to the same Medical charge which they held when they left India.
