*Proceedings of the Madras Government, Public Department,
8th December 1870.*

No. 42. Read the following letter from the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George, dated Vythery, 16th November 1870, No. 106-A:—

I have the honour to inform you that a sum of upwards of 3,000 Rupees has been collected towards the erection of a Hospital at Vythery. The Government undertook to contribute an equal amount, and, in case the sum may not be available from this year's Budget, I beg to suggest that it be guaranteed from the Public Works allotment for next year, and that, in the meantime, Major Kennedy be authorized to commence with the funds in hand.

2. The unhealthy character of the climate of this part of Wynad, and the urgent necessity for accommodation for the treatment of the sick of the neighbourhood, as well as casual travellers, and Government employes of the Revenue, Public Works, and Police is well known to Government, and need not, therefore, here be insisted on.

3. It is of the greatest importance that no delay should occur in setting to work, the labour season being contracted and labour scarce.

No. 43. ORDER THEREON, 8th December 1870, No. 1585.

The question of providing funds for the Vythery Dispensary building will be considered later in the year.
