*Proceedings of the Madras Government, Public Department,
10th December 1870.*

No. 62. Read the following letter from the President of the Municipal Commission, Mayaveram, to the Chief Secretary to Government, Fort Saint George, dated Trivady, 24th November 1870, No. 186:—

With reference to G. O., dated 2nd November 1870, No. 1411, I have the honour to submit copy of a letter from the Vice-President of Mayaveram, explaining the great inconvenience and trouble which will be experienced if the municipal taxes for the current half-year are to be collected in accordance with the sanctioned estimates under the present Act. I beg, therefore, that the Government will be pleased to accede to the arrangement proposed by Mr. Burrows, as far as the Mayaveram Municipality is concerned.

From L. R. BURROWS, Esq., Vice-President of the Municipal Commission, Mayaveram, to the President of the Municipal Commission, Mayaveram, dated 19th November 1870, No. 199.

With reference to the Order of Government, dated 2nd November 1870, No. 1411, directing that the municipal taxes for the current half-year are to be collected in accordance with the sanctioned estimates under the present Act, I have the honour to state that, not only have we let our tolls for five months, but that we have collected house and land tax for eleven months, and in the same way taxes on carriages and animals have been collected as if for five months, and bills for a great portion of the professional tax have been prepared for five months. This has been done in

accordance with the previous orders of Government* and the instructions contained in your letter of the 12th July last, No. 109, and before the receipt of the order under notice.

2. If the present Order of Government is complied with, we shall be put to the greatest inconvenience by having to issue fresh bills for one month's house and land tax and professional tax, and also by having to collect an additional one month's tax on carriages and animals; and this all to no purpose, if, as is expected, the new Act comes into operation on the 1st April.

3. I request, therefore, that we may be allowed to go on collecting our taxes for eleven months as we have begun, and then, if necessary, collect the additional month's tax next year as an arrear. This arrangement will save us much trouble and prevent confusion.

No. 63. ORDER THEREON, 10th December 1870, No. 1599.

The order of the 2nd November 1870, No. 1411, was intended to obviate, as much as possible, the inconvenience arising from the uncertainty regarding impending charges in the law.

2. But, as it appears that the observance of that order will merely add to the inconvenience experienced in Mayaveram, the Government do not insist on its being carried out in that Municipality.

(True Extract.)

Chief Secretary.

To the President of the Municipal Commission, Mayaveram.
