*Proceedings of the Madras Government, Public Department,
15th December 1870.*

Read the following papers :—

No. 123. From the Superintendent of Telegraphs, Bangalore Division, to the Chief Secretary to Government, Fort Saint George, dated Bangalore, 27th August 1870, No. 1403.

I have the honour to request that, on the departure of the 19th N. I. from Kurnool, a portion of the Government buildings, at present occupied by that Regiment, may be made over to this Department for a Telegraph Office. The Government of India is anxious to close all offices, the cash receipts of which do not equal the local expenditure, and there appears to be no probability of bringing about a balance in the case of the office at Kurnool unless free quarters are provided. The Collector of Kurnool informs me that there is, at present, no unoccupied Government building in the station that could be made available as a Telegraph Office, and has suggested that the sanction of Government should be obtained to a portion of the buildings, now occupied by the 19th N. I., being set apart for the purpose, when that Regiment leaves Kurnool.

Transferred to the Military Department.

FORT SAINT GEORGE,
30th August 1870.
