No 182. In Health &c
14th Nov 1870
The Honorable R. S. Ellis, C. S. & J. S.
Chief Secretary to Government
Fort Saint George

With reference to the Order of Government
No 154, dated 25th November 1870, in the Budget
estimate of the Health Office for 1871, and
directing him to modify the estimate, I have the
honor of informing you that the Budget estimate
for 1871, was framed on the same principle
as the one for 1870, with two exceptions, to
cover printing charges, vide the Chief Secretary's
Memorandum dated 7th October 1870.

The local Government having
sanctioned the Budget estimate of the Health
Office 1871 for Rs 25,728, but the Govern-
ment of India, having restricted the charge
for the preventive establishment employed in
working the Contagious Diseases Act in the
Town of Madras to Rs 1785 per annum, or
Rs 23220 per annum, the excess being
covered

caused by the Director of our additional Office in
Saint Thomas and reorganization of the Department,
after the Budget of 1902 had been passed, which
year I had reason to suppose was temporary,
and from Local Funds, and therefore concluded
that the full amount should be included in the
Budget Estimate of 1902.

I have as directed modified the
Budget and forwarded a Supplementary
Budget, trusting that the proposition
in my letter of the 14th of November last
will receive the approval of Government in order
to lessen the expenditure.

I have the honor to be,

Yours Most Obedient
