Proceedings of the Madras Government, Public Department,

30th December 1870.

No. 152. Read the following letter from W. M. SOUTTAR, Esq., M.A., Officiating Under Secretary to the Government of India, Home Department (Sanitary), to the Secretary to Government, Fort Saint George, dated Fort William, 2nd December 1870, No. 448:—

I am directed to forward the accompanying copy of a letter from the Officiating Secretary to the Chief Commissioner of Coorg, No. 466-54, dated the 30th September last, and to request that the Government of India may be informed whether His Excellency in Council has any objection to the Returns and Registers of Cholera required from Mysore and Coorg being sent to the Sanitary Commissioner of Madras for the purpose mentioned.

From the Officiating Secretary to the Chief Commissioner of Coorg, to the Secretary to the Government of India, Home Department, Simla, dated Bangalore, 30th September 1870, No. 466-54.

With reference to Resolution, No. 337, dated 8th September 1870, regarding the institution of a special inquiry on the subject of cholera in India, I am directed to state that, with respect to the directions laid down in paragraph 11, it will, the Chief Commissioner begs to submit, be perhaps a more convenient arrangement, considering the geographical position of Mysore and Coorg, and the intimate connexion in this matter between them and the surrounding districts of the Madras Presidency, if the Returns and Registers for these territories were sent to the Sanitary Commissioner of Madras, to be embodied separately under heads in his monthly record for that Presidency, and that, as there is no Sanitary Commissioner for Mysore and Coorg, Colonel Meade would suggest that this course be sanctioned with the concurrence of the Madras Government.

2. Should this be deemed preferable, the Returns shall, of course, be compiled, as directed, in this office, and forwarded to the Sanitary Commissioner with the Government of India.

No. 153. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 30th December 1870, No. 1680.

In reply to Mr. Officiating Under Secretary Souttar's letter, dated the 2nd instant, No. 448, I am directed to inform you that His Excellency the Governor in Council has no objection to the Returns and Registers of Cholera in Mysore and Coorg being sent to the Sanitary Commissioner of Madras, with a view to his embodying them, under separate heads, in his monthly record for this Presidency.
