*Proceedings of the Madras Government, Public Department,
6th January 1870.*

No 24. Read the following letter from J. A. C. BOSWELL, Esq., Officiating Magistrate of the Kistna District, to the Chief Secretary to Government, Fort Saint George, dated Nandigamah, 4th December 1869, No. 413.

With reference to G. O., No. 1965, dated 2nd December 1867, Public Department, the Municipal Commissioners of Masulipatam and Guntoor have requested the refund of collections of fines under the Cattle Trespass Act (III. of 1857) within their respective Municipalities after deducting the actual expenses incurred for them since the introduction of the Municipal Act X. of 1865 into those towns. I have herein enclosed a statement showing the collections and expenditure for the three official years 1866-67, 1867-68, and 1868-69, in the two Municipalities of Masulipatam and Guntoor. This statement will show that Rupees 454-10-5 are to be paid to Masulipatam, and Rupees 270-0-11 to Guntoor Commissioners. As these sums are exclusive of proportionate charges of payment to two Taluq Pound Goomastahs employed on Rupees 10 per mensem, one for each Taluq, and also stationery charges for the Taluqs, I would propose two per cent. may be deducted on this account, and the remainder be paid to the Commissioners. The sum will stand thus—

Rupees 445-8-11 for Masulipatam Municipality.

Rupees 264-13-9 for Guntoor Municipality.

This being the first application of the Municipal Commissioners of the two towns in question for the payment of the money allowed to them under G. O., No. 1965, dated 2nd December 1867, and as surplus collections of three years have to be paid down at once, I have thought it necessary to obtain the sanction of Government for payment of these sums.

No. 25. ORDER THEREON, 6th January 1870, No. 18.

The Government observe that the Order of the 2nd December 1867, No. 1508, to which Mr. Boswell refers, was not given retrospective effect in those Municipalities therein expressly referred to. They do not, therefore, consider that the claims of the Municipal Commissioners of Masulipatam and Guntoor on account of the years 1866-67 to 1868-69 can now be admitted. If the Commissioners desired that the order should be enforced in their respective towns they should have submitted their applications in proper time.

2. The Government will, however, sanction the payment to the Commissioners of Masulipatam and Guntoor, of the surplus collections for the current year 1869-70, and for future years, on the usual understanding that the funds so made over are to be expended only on works of the classes specified in Act V. of 1860. The surplus of each year will be disbursed after its close, and should be shown as an item of receipt in the estimates for the following one.

3. It is presumed that the proposed deduction at two per cent. on account of the Goomastah's salaries and contingencies is in the proportion of the collections from the towns to the whole collections under the Goomastah's charge.

With reference to G.O. No. 1965 dated 2nd December 1869, Public Department, the Municipal Commissioners of Masulipatam and Guntur have requested the refund of collections of fines under the Cattle Spoil Pass Act (1857) within their respective Municipalities after deducting the actual expenses incurred for them since the introduction of the Municipal Act No. 1965 into those towns. I have therein enclosed a statement showing the collections and expenditure for the three official years 1864-65, 1865-66, 1866-67 in the two Municipalities of Masulipatam and Guntur. As these sums are exclusive of proportionate charges of payment to two Taluk pound guardians employed in 1866 for mensem one for each Taluk, and also stationery charges for the Taluks, I would propose two percent may be deducted on this account, and the remainder be paid to the Commissioners. The sum will stand thus.

This being the first application of the Municipal Commissioners of the two towns in question for the payment of the money allowed to them under G.O.
