*Proceedings of the Madras Government, Public Department,
17th February 1870.*

Read the following papers :—

No. 66. Proceedings of the Board of Revenue, dated 12th November 1869, No. 8377.

Read the following letter from the Acting Collector of the Madras District, to the Acting Secretary to the Board of Revenue, dated Sydapet, 27th September 1869, No. 331.

I have the honour to forward a copy of a letter from the Acting Sub-Collector, applying for Rupees 100 from Local Funds for the purpose of cleaning the town of Chingleput to protect it from the further spread of cholera which is said to have made its appearance there. As this was not a proper charge on Local Funds, I refused to allow any from that source; and the work being very emergent, authorized the expenditure to be incurred in anticipation of the Board's sanction, which I request they will now accord:

2. The charge may be met from the general savings under Land Revenue.

3. I pointed out to the Sub-Collector that a portion of the charge should be met by private contribution if possible.

From the Acting Sub-Collector, to the Acting Collector of the Madras District, dated Chingleput, 21st September 1869, No. 268.

I have the honour to report that several deaths from cholera have occurred within the last week in the town of Chingleput, and Surgeon-Major Clementson is of opinion that the town should be cleaned. I request, therefore, that you will sanction Rupees 100 from Local Funds for the work.

Sanction is accordingly granted for the charge of Rupees 100 incurred on emergency to arrest the spread of cholera in the town of Chingleput.

2. The charge can be included in the Land Revenue Contingent Bill for the current month, and be met, as proposed by the Collector, from general savings under that head.

3. Care should in future be taken that such expenditure is not incurred unless the local communities contribute to it.

Proceedings of the Board of Revenue, dated 21st January 1870.

No. 67. Read the following letter from the Acting Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Sydapet, 10th January 1870, No. 2.

With reference to the Board's Proceedings of the 28th December last, I have the honour to state that the Superintendent of the Jail at Chingleput has since informed the Acting Sub-Collector that he had commenced the sanitary improvements referred to by Mr. Crole in his letter of the 10th November last, embodied in Board's Proceedings of the 11th December 1869.

*Proceedings of the Madras Government, Public Department,
17th February 1870.*

Submitted for the information of Government with reference to G. O., 21st December, No. 1759.

2. With reference to remark that the matter though urgent was detained in the Board's office, it should be explained that the Collector had already applied for sanction for an expenditure of 100 rupees for cleansing the town of Chingleput to arrest the spread of cholera, and that sanction had been granted in Proceedings, dated 12th November, *i. e.*, the day before the receipt of the Collector's letter now under reference.

3. This sanction, therefore, met any pressing necessity, and the letter was not treated as *emergent*.
