MADRAS RECORD OFFICE.

Government of Madras.

Public DEPARTMENT.

G.O. No.	22	Press
		~~Mis.~~
Dated	6-1-	1870

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Department,
6th January 1870.

No. 28. Read the following letter from the President of the Municipal Commission for the Town of Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 15th December 1869, S. No. 401.

Adverting to the Proceedings of Government, dated the 17th November 1869, No. 1574, Public Department, I have the honour to report, for the information of Government, that the well in which the accident therein referred to occurred being within the courtyard of premises No. 51, in Pareanunda Moodelly's street, in the Black Town, has been beyond the reach of inspection by the employés of this office.

2. Much anxious attention has been given to the protection of public and private wells: no less than 117 public wells have been repaired and enclosed this year at the expense of the Municipality; the owners of private wells (which have come to the notice of this office as being in a dangerous state) have been called upon to protect them; and a scheme is now under consideration for more effectually preventing accidents by gratings.

No. 29. ORDER THEREON, 6th January 1870, No. 22.
To be recorded.
(True Extract.)

J. I. MINCHIN,
Acting Chief Secretary.

S.N. 401

Municipal Commissioners Office,
Madras 15th December 1869

From

Colonel C. A. Devissan

President Municipal Commission,
Madras.

To

The Honorable Mr. S. Ellis, C. B.
Chief Secretary Government,
Madras.

Sir,

Adverting to the Proceedings of Government
noted in the Margin, I have the honor to report
for the information of Government that the Well
in which the accident therein referred to occurred,
being within the Court Yard of Premises N^o 58.
in Paraimunda Moodell's street in the Black
Town, has been beyond the reach of inspection
by the employees of this Office

Much anxious attention has been
given to the protection of public and private
Wells: no less than 117 public Wells have been
repaired and enclosed this year at the expense of
the
