PUBLIC DEPARTMENT.

No. 238.

FROM

J. I. MINCHIN, Esq.,

Acting Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

With reference to the letter from this Department of the 8th November 1869, No. 1530, paragraph 3, I am directed to forward copy of a Report from the Controller of Public Works Accounts, on the subject of re-casting the Forms B1 and 2, prescribed by the Statistical Committee, relating to Public Works.

2. After a careful review of the suggestions submitted by the several Superintending Engineers, the Controller is of opinion that neither of the forms in question requires modification. He would, however, suggest, as regards Form No. 1, that the cost of establishment be given in a lump sum in the last column, as any attempt to distribute the charges for establishments amongst the several classes of works cannot be otherwise than unsatisfactory.

3. Mr. Brock sees no objection to the addition, as proposed by the Superintending Engineer, 3rd Division, of "Sanitaria" and "Water-supply" to the classes of works in Form No. 1, nor to the information required in Return B2 being furnished more in detail.

4. In submitting, therefore, the accompanying Report, together with copies of its enclosures, I am to state that this Government concurs in the views expressed by the Controller of Public Works Accounts.

FORT SAINT GEORGE,

24th February 1870.

I have the honour to be,

Sir,

Your most obedient servant,

Acting Chief Secretary.
