*Proceedings of the Madras Government, Public Department,
3rd March 1870.*

No. 22. Read the following letter from the Assistant Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort Saint George, dated Fort William, 20th January 1870, No. 414.

I am directed to acknowledge the receipt of your letter, (Public,) No. 1527, dated 8th November last, forwarding, for confirmation, a Statement for August 1869 of Fresh Charges, sanctioned by the Government of Madras within Budget limits, and in reply to convey to you the following orders which have been passed thereon by the Governor-General in Council.

2. With reference to items I. and III. relating to the pay of a second-class Hospital Assistant on Rupees 40 for each of the Civil Dispensaries of Palghaut and Edeyengoody, the Governor-General in Council remarks that it is undesirable, pending the decision of the question of staff allowances for civil charges, to make appointments to dispensaries on special rates of pay, and accordingly directs that the Hospital Assistants in question receive only their Military pay.

3. With regard to item II., namely, the provision of a peon on Rupees 5 a month for the Civil Dispensary at Anantapore, His Excellency in Council does not see the necessity for this expenditure, and consequently directs that it be discontinued.

4. The question of the additional expenditure of Rupees 200 a month for the office establishment of the Madras Sanitary Commissioner, entered in item 5, has already been disposed of by this Department's Resolution, No. 4342, of the 25th October last.

5. Regarding item 5, relative to an increase of cost of Rupees 200 in the office establishment of the Health Officer, Madras, for carrying out the provisions of the "Indian Contagious Diseases' Act" within the town of Madras, the Governor-General in Council is pleased to confirm the sanction given to this increase, on the understanding that the expenditure, in 1870-71, will be kept within the limit prescribed by this Government in the Home Department, in its letter to the Government of Fort Saint George, No. 5195, of the 29th November last.
