To The Acting Chief Secretary

to Government,

Fort St. George.

Sir,

I have the honor to submit for the orders of Government the accompanying memorandum from the Examiner of Claims returning the bill for the cost, amounting to Rs. 2289.12.10, of a set of Bills of Exchange, obtained from Messrs Arbuthnot and Co under the sanction noted in the margin.

Govt. Order, No. 38
dated 10 Jan. 70.

2 The Examiner of Claims rejects the bill on the ground that the balance of the grant for Stationery and Printing is insufficient to meet the cost of sanctioned establishments for the remainder of the current official year. I beg to state that the

the allotment for the purchase of materials
for the press was rupees 3,000, and deducting
the expenditure including the present
bill there should be a balance of
Rs. 490. b. 2. I have not been made
aware of any transfer from the
Government Press allotment to other
minor heads of the Stationery grant,
which may have caused this balance
to disappear.

I have the honor to be,

Sir,
Yours obedt. Servant,

To The Accountant General
Fort St George

Sir, I have the honor to request that the enclosed Bill for Rupees 17,936-5-4 may be submitted to Government for special sanction as the Examiner of Claims has refused to pass it in consequence of the amount thereof being in excess of the unexpended balance of the actual Budget grant for the current year.

2. This Budget grant is I presume exclusive of the 16,000 Rupees alluded to in Proceedings of the Madras Government No 1697 of the 11th Decr last and in your letter No 5282 of the 19th November last.

3. If these 16,000 Rupees however can be transferred as is alluded to in your letter to the credit of the Stationery Department from other heads of account it may not be necessary to trouble Government on the subject as that sum in addition to the unexpended balance will I believe be adequate to meet all demands.

4. I need scarcely point out the nature of the position which this Department will occupy should
