Municipal Commissioners' Office,

Madras, 16th November 1869

From
Col: C. A. Denison
President & Mun^{rs} Commission
Madras

To
The Hon^{ble} R. S. Ellis C. B.
Chief Secretary to Government. P. W.
Madras

Sir
I have the honor to bring to your notice that in 1863 all the Ekelanades were transferred to the Municipality by order of Government N^o 4117 dated 24th December 1863. The then President took over charge of all but the three North Western Ekelanades bearing respectively the Revenue numbers 372, 374 and 378 as shown on the accompanying plan.

2. These plots are close to the sewage farm and as it is possible that extended operation in sewage irrigation will be undertaken in the ensuing year I am anxious to assume control over them, so as to prevent the removal of clay by private parties. I shall therefore be glad if orders are issued to the Collector to make them over to me.

I have the honor to be

Your most obedient servant
Ch. A. Denison
