***Proceedings of the Madras Government, Public Department,
14th March 1870.***

No. 66. Read the following letter from the Acting Magistrate of South Canara, to the Acting Chief Secretary to Government, Fort Saint George, dated Mangalore, 11th February 1870, No. 154.

The annual Car festival at Kollur, for which sanitary arrangements are prescribed among others in this district in G. O., 17th November 1868, No. 1421, Public Department, commences on the 24th March 1870, and the cost of making the necessary arrangements on the occasion is estimated at Rupees 164.

2. I beg to submit a detailed estimate for the above amount, and request that I may be authorized to incur such expenditure within the estimate as may be found indispensably necessary.

3. The sanitary arrangements to be made consist chiefly of providing accommodation in temporary sheds for such of the pilgrims and visitors as find no lodging in private houses; cleaning or repairing four wells and a tank; construction of six latrines, and the employment of a few toties for cleaning the latrines, and sweeping the streets and encamping grounds of rubbish and refuse for the ten days during which the festival lasts.

4. There is no provision in my Budget for the current year 1869-70 to meet the above charge, which should, therefore, be provided for from other sources at the disposal of Government.

No. 67. ORDER THEREON, 14th March 1870, No. 302.

The Government sanction an expenditure not exceeding Rupees 64 for sanitary purposes connected with the approaching Car festival at Kollur.

2. It has already been decided that no expenditure can be allowed for the erection of sheds for the accommodation of pilgrims.
