*Proceedings of the Madras Government, Public Department,
16th March 1870.*

Read the following papers :—

No. 72. From the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 2nd February 1870, No. 28.

In submitting, for the favourable consideration of Government, the accompanying letter, No. 4, of 8th ultimo, from Native-Surgeon Iyasawmy Pillay, I have the honour to recommend that, in addition to the usual pay and allowances he would have drawn at Cuddapah, a deputation allowance of Rupees 10 per diem may be sanctioned, as on the former occasion, to compensate the Native Surgeon for the extra expense he has been put to, while employed on special duty at Madras.

From M. IYASAWMY PILLAY, Acting Zillah Surgeon of Cuddapah, to the Deputy Inspector-General of the Indian Medical Department, Ceded Districts and Mysore Division, Bangalore, dated Cuddapah, 8th January 1870, No. 4.

With reference to my late employment on special duty at Madras, I have the honour to request that you will be so good as to forward, with your recommendation and support, this my application for remuneration of my services during the period of such special employment, viz., from the 6th to the 26th November 1869.

2. For the above period, I have, of course, drawn no salary or allowances as Acting Zillah Surgeon or Superintendent of the Jail at Cuddapah ; and I need not perhaps mention that, besides railway charges, my temporary residence at Madras was attended with some expense on account of house-rent, furniture-rent, and carriage-hire, while, at the same time, I was obliged to maintain my ordinary permanent establishment at Cuddapah.

3. On a former occasion when I was employed on special duty in Kadree, under the Hon. T. Clarke, the Government were pleased to award me a deputation allowance at the rate of 10 rupees a day, in lieu of batta, mileage, &c., and at the present time, I leave it entirely to the Government to remunerate my services in any manner they deem proper.

MEMORANDUM.

The undersigned has the honour to state that Native-Surgeon Iyasawmy Pillay, while Acting Zillah Surgeon and Superintendent of Jail at Cuddapah, drew as follows :—

	RS.
Salary as Native Surgeon	150
Deputation allowance as Acting Zillah Surgeon at Cuddapah.	100
As Acting Superintendent of Jail, Cuddapah	75
Total...	325

Under G. O., No. 1059, dated 30th July last, he was appointed on special duty, and for the period he was engaged on this duty nothing beyond his pay as Native Surgeon, Rupees 150, was passed to him leaving his deputation allowance as Acting Zillah Surgeon and allowance as Acting Superintendent of Jail to be paid to Manika Moodelly who acted for him at Cuddapah. Under the above circumstances, Iyasawmy Pillay's claim to compensation for the loss and extra expense he has been put to appears to be a reasonable one. This department is not aware of any rule prohibiting the grant of such compensation should the Government be pleased to sanction it.

Order thereon 16 March 1870 No 318

The Executive the Governor in Council is pleased to sanction the disbursement to be made to Surgeon Gyasawny Pillay of the pay and allowances he drew at Fuddapala and of a special allowance of Rs. 10 per diem, during the period he was employed at Madras on the committee appointed in G.O. of the 30 July last No. 1059 for the purpose of considering and reporting on the best means of utilizing the Provincial Dispensaries

as

is much consider the further
of the Memorialist about it
equivalent to that of a
Tuition employed charge of
Civil Station. I do not think that
£1. per day is as excessive
I think 200 Rs. is rather a
large sum to cover cost of
travelling from Delhi to
back & living 20 days at
Mudhar. I think 100 would
be sufficient.
