*Proceedings of the Madras Government, Public Department,
29th March 1870.*

No. 104. Read the following letter from the President of the Municipal Commission, Cochin, to the Acting Chief Secretary to Government, Fort Saint George, dated Calicut, 12th March 1870, No. 12.

I have the honour to submit, for the orders of Government, the following Resolution passed by the Municipal Commissioners of Cochin :—

“ Resolved that the question be referred to the President for submission to Government for their opinion whether Schoolmasters of the Grant-in-aid schools are considered Government servants, and liable to Municipal tax under Schedule A. and Classes IV. and V.”

No. 105. ORDER THEREON, 29th March 1870, No. 356.

The Government are not competent to give an authoritative decision on the point raised; but are of opinion that masters in Grant-in-aid schools are not servants of Government. Neither Government nor its officers have any thing to say to the appointment, dismissal, or payment of such masters; but in the assignment of grants deal only with School Managers.

2. The case is different as regards masters in purely Government schools who are appointed under authority from Government, paid from State funds, and entitled to pensions. Such persons would seem liable to taxation under Schedule A., Act X. of 1865.
