Proceedings of the Madras Government, Public Department,

29th March 1870.

Read again letter from the Inspector-General of the Indian Medical Department, and the Sanitary Commissioner for Madras, dated 1st November 1869, No. 3169, recorded in Proceedings, dated 2nd December 1869, No. 1654.

Read also the following papers :—

No. 106. Proceedings of Government, Military Department, dated 24th February 1870, No. 566.

Communicating letter from the Government of India, according sanction to effect being given to the instructions of the Secretary of State for carrying out the analysis of the potable waters in this Presidency.

No. 107. Proceedings of Government, Military Department, dated 15th March 1870, No. 782. *Copy attached*

Communicating letter from Government of India, on the subject of allowances to Medical Officers employed in analyzing drinking water, and requesting that the estimated amount for the Madras Presidency, for which provision has been made, may on no account be exceeded.

No. 108. ORDER THEREON, 29th March 1870, No. 357.

The foregoing Proceedings will be communicated to the Inspector-General of the Indian Medical Department, and to the Sanitary Commissioner, with reference to their joint report of the 1st November 1869, No. 3169.

2. The Medical Officers recommended in paragraph 13 of that report, as the best qualified for employment in connexion with the analyses of potable waters, are the four named in the margin, three for the Indian Peninsula, and one for Burmah.

A. Porter, Esq., M.D.
W. Macrae, Esq., M.B.
E. Nicholson, Esq.
Sub-Asst. Surgeon R. Harvey.

3. On Dr. Mackenzie informing Government of the range which he would, after communication with the Sanitary Commissioner, propose to allot to each of the Medical Officers in question for carrying on their operations, the necessary appointments will be made.

4. The special allowance, to be granted to the Medical Officers to be employed on the above duty, is shown in the Memorandum of the Controller-General of Military expenditure, dated 15th February 1870.

5. The Government await the report of the Chemical Examiner, called for in their Order of the 2nd December 1869, No. 1654.

No. 228.

No. 1032.

MEMORANDUM.

In returning the documents received with Military Department's docket No. 1127 of the 25th ultimo, the undersigned has the honor to state that, under the sanction accorded by Government letter, No. 647, dated 27th November 1866, Medical Officers employed in analysing drinking water in this Presidency at their own stations, receive deputation allowance at Rupees 5 per diem, house-rent not exceeding Rupees thirty per mensem for a room, (in which to conduct the analysis) when none is available free of cost, and contingent expenses when actually incurred in connection with laboratory work and for coohee fire.

2. Officers so employed, if required to proceed to other stations, are likewise

Government letter, No. 9, dated 1st February 1866.
Do. „ 588 „ 30th August „

entitled to travelling allowance at the usual rates, and to a continuance of the salary of their appointments, (less any

office allowance) as if present at their post.

3. There are, however, two officers employed in analysing drinking water, who receive special rates of remuneration. By Government letter, No. 644, dated 15th April 1865, Dr. Lackersteen has been allowed a consolidated salary of Rupees 1,000 per mensem, and by Government letter, No. 680-81, dated 19th February 1867, Dr. Macnamara has been granted a salary of Rupees 200 per mensem, in addition to his pay as Chemical Examiner.

4. The extension of the general arrangements obtaining in the Bengal Presidency to four stations in the Madras Presidency, will involve an additional expense of about Rupees 11,728-0-0 per annum, as detailed below, for which provision has been made in the Military Budget Estimate of the ensuing official year.

RS. A. P.

Deputation allowance to four officers at Rupees 5 per			
diem	7,300	0	0
House-rent to do. do. ...	1,440	0	0
Contingent expenses as in Bengal	2,988	0	0
Total per annum...	11,728	0	0

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following again letter

From the Inspector General, Indian Medical
Dept, & the Sanitary Commission for Madras, D/1st Nov.
1869 No 3169, recorded in Nos. D/2nd Dec. No 1654.

Read also the following Nos.
Military Dept.

(H.E. 24/7th Dec 1870, Nos 666)
4782

Order of the 29 March 1870, No 3169.

The foregoing
Proceedings will be
communicated to the
Inspector General,
Indian Medical Dept
and to the Sanitary
Commissioners, with
reference to their joint
report of the 1st Nov.
1869, No 3169.

2. The Medical Officer
recommended in para. 1.

of that report, as the best qualified for employment in connection with the analyses of potable waters, are the four named in the margin - three for the Indian Peninsula, and one for Burmah.

Alex. Porter Esq. M.D.
 Jpm Macrae Esq. M.B.
 Esq. Nicholson Esq.
 Sub-Asst. Surgeon R. Haran.

3. On Dr. Buchan's report informing Government of the want of the staff which he would, after communication with the Sanitary Commissioners, propose to allot to each of these Medical Officers ^{in proportion} for carrying on their operations, the necessary appointments will be made.

4. ~~The question of~~ the special allowance to be granted to the Medical

is shown in the Memorandum of the Controller General of Military Expenditure dated 15th Feb 7/870.

Medical Officers to be employed on the above duty, will be determined on the receipt of a communication from the Government of India relative to the funds to be provided for the purpose in the Budget Estimate for the ensuing year.

5. The Government await the report of the Chemical Examiners called for in their Order of the 2nd Decr 1869, No 1654.
