Proceedings of the Madras Government, Public Department,
4th April 1870.

No. 19. Read the following letter from the President of the Municipal Commission, Chicacole, to the Chief Secretary to Government, Fort Saint George, dated Chetterpore, 9th March 1870, No. 252.

With reference to Government Order, No. 820, dated the 11th July 1867, I have the honour to forward, for the sanction of Government, estimates of receipts and disbursements proposed to be raised and incurred by the Municipality of Chicacole during the year 1870-71, together with a copy of the detailed estimate furnished by the Superintendent of Police, and a list of Commissioners proposed to be appointed or re-appointed.

No. 20. ORDER THEREON, 4th April 1870, No. 379.

The Municipal Commissioners of Chicacole expect to raise by local taxation in 1870-71 the sum of Rupees 7099.

	RS.	A.	P.
Rate on Houses and Buildings.....	1,800	0	0
Tolls.....	4,500	0	0
Tax on Carriages and Animals.....	400	0	0
Registration of Carts.....	250	0	0
Miscellaneous.....	149	0	0
	7,099	0	0
Government contribution.....	2,366	5	4
	9,465	5	4
Market Fees and Shop-rents.....	1,000	0	0
Total...	10,465	5	4

They also count on Rupees 1000 derived from the market fees and rent of shops. They have calculated the State contribution at Rupees 2699-10-7, or one-fourth of the expenditure; but it is to be limited by the current receipts under the provisions of the Act as well as by the expenditure, and the sum of Rupees 1000

above referred to being excluded, the contribution will be Rupees 2366-5-4. If the item "Miscellaneous—Rupees 149," includes receipts of cattle-pound fines, road cess, and such like, not provided for by the Act or bye-laws, the State contribution will be still further reduced. No balance from the current year has been estimated for, and the sum at the disposal of the Commissioners will, therefore, be Rupees 10,465-5-4.

2. The estimated receipts from the house-tax are Rupees 1800 against the estimate for the current year amounting to Rupees 3000. The President will explain the reason of the decrease, and whether it is due to a reduction of the percentage rate. The tolls, it is observed, are expected to yield Rupees 4500, being more than half the sum raised by local taxation, and nearly half the whole income of the Municipality. The Commissioners will understand that, though this state of things is for the present permitted, it will not be allowed to continue after the new law shall have come into force.

3. The want of detail which Government had occasion to remark when reviewing the last estimate is even more noticeable in the present instance. Before submitting future statements for the sanction of Government, the President will be good enough to see that particulars of all items, sufficient to enable Government to judge of the character of each, shall be given. The reduction of the Government contribution above noticed necessitates a reduction of Rupees 333-5-3

 Proceedings of the Executive Govt.
 Read the following letter
 from the President
 Municipal Comm, Chicago
 (H. F. of March 1870)
 Order of the Council
 April 1870

Rents on houses, buildings	1800
Tolls	4500
Tax on carriages and animals	100
Registration of cars	250
Miscellaneous	149
	7099
Govt Contribution	2366-5-4
	9465-5-4
Market fees and Shipyards	1000-0-0
rents	10465-5-4

The Municipal
 Commissioners of Chicago
 report to the Executive
 Committee of the
 Council of 1870 that
 the sum of \$2099. They
 also count on \$1000
 derived from the
 fees and rents of shops
 They have calculated
 the State contribution
 at \$2699-10-7 or
 one-fourth of the ex-
 penditure, but it is
 to be limited by the
 current receipts under
 the provisions of the Act
 as well as by the expenditure
 and

Presented
 5 April 1870

and the sum of Rs 1000
above referred to being
included the contribution
will be Rs 2500-5-4. Of
the items "miscellaneous"
Rs 189, includes receipts
of cattle pound fines,
Road cess and such
like, not provided for
by the Act or by a law,
the State Constitution
will be still further
reduced. A balance
for the current year
has been estimated
for, and the sum at
the disposal of the
Commissioners will
therefore be Rs 10465-5-4.

2. The estimated
receipts from the house
tax are Rs 1800, against
the estimate for the
current year amounting
to Rs 3000. The residue
will explain the reason

of the decrease, and
whether it is ~~likely~~
a reduction of the per
centage rate. How
tolls, it is observed, are
expected to yield
Rs 4500, being more than
half, the sum raised
by local taxation, and
nearly half the whole
income of the Commis
sionary. The Commis
sioner will understand
that, though this state
of things is for the present
permitted, it ought
not to be allowed to
continue after the
new law shall have
come into force.

3. The want of
detail which Government
had occasion to remark
when receiving the last
estimate is even more
noticeable in the present

New works	886-10-9
Repairs	1700
Conveyance	2150
Police	3898-9-3
Establishment	1840-1-4
	<u>10465-5-4</u>

Before submitting future
statements for the sanction
of Government, the President
will be good enough to
see that particulars of
all items, sufficient
to enable Government
to judge of the character
of each, shall be given.
The reduction of the
Government contribution
above noticed necessitates
a reduction of Rs 33-5-3
in the provision for
new works, in order
that the Commissioners'
Expenditure may be
within their income.

4 The estimates
as modified are
passed. The same
notifications will be
published in the ~~Govt~~
