Proceedings of the Madras Government, Public Department,
4th April 1870.

No. 21. Read the following letter from the President of the Municipal Commission, Rajahmundry, to the Acting Chief Secretary to Government, Fort Saint George, dated Bandarlanka, 9th March 1870, No. 47.

I have the honour to forward, herewith, in original, a letter, No. 6, dated 26th ultimo, from the Commissioners of the Rajahmundry Municipality, accompanied by estimates of receipts and expenditure, detailed estimate of expenditure of Police, and a list of persons to be appointed Commissioners for that town for the year 1870-71.

2. The estimates for the Ellore Municipality will be forwarded as soon as they are received.

No. 22. ORDER THEREON, 4th April 1870, No. 380.

The current receipts of the Municipality of Rajahmundry, for 1870-71, are estimated by the Commissioners at Rupees 10,350, the State contribution at Rupees 3450, and market-rents at Rupees 200; total Rupees 14,000. The quit-rent of Innespeta which is not a receipt under the Municipal Act, and which according to the last annual report amounted to Rupees 209-12-2, must be deducted from the sum first mentioned, and the State

contribution will accordingly be reduced to Rupees 3380-1-3, and the total income to Rupees 13,930-1-3. It appears that the Commissioners expect to begin the year without any balance in hand.

2. The estimate of income being thus reduced by Rupees 69-14-9, the allotments for expenditure must be reduced by that amount, and it appears to Government probable that the saving can best be effected out of the provision for repair of roads. It is observed that the Commissioners propose to expend Rupees 500 on the construction of Police huts. The miscellaneous charges should have been particularized.

3. The estimates as modified are passed. The usual notifications will be published in the *Gazette*.
