Proceedings of the Madras Government, Public Department,
12th April 1870.

No. 88. Read the following letter from the President of the Municipal Commission, Cannanore, to the Acting Chief Secretary to Government, Fort Saint George, dated Calicut, 2nd March 1870, No. 8.

I have the honour to forward estimates of sums proposed to be raised and expended in the Municipality of Cannanore, during the year ending on the 30th April 1871, together with a list of Commissioners for appointment, and request the sanction of Government thereto.

No. 89. ORDER THEREON, 12th April 1870, No. 435.

The estimated receipts of the Municipality of Cannanore are Rupees 5050, exclusive of the State contribution of Rupees 1639-7-6 on the expenditure for purposes specified in Section 25. The estimate should have shown the amount of the adjusted fourth instalment, if any, of the State contribution for 1869-70, and three instalments of that for 1870-71, as in this way the actual sum to be received by the Commissioners in the year would be arrived at. It appears that they do not expect to have any balance in hand on the 1st May 1870.

2. The details of the provision of Rupees 500 for "New Works—Buildings" should have been given; otherwise the items of expenditure seem unobjectionable, except that the establishment is large in proportion to the receipts and expenditure.

3. The estimates are approved and sanctioned. The usual notifications will be published in the *Fort Saint George Gazette*.
