No. 97. Read the following letter from the Officiating President of the Municipal Commission, Nellore, to the Acting Chief Secretary to Government, Fort Saint George, dated Nellore, 18th February 1870, No. 296.

With reference to the Proceedings of Government, Public Department, dated 11th July 1867, No. 820, I have the honour to submit, for the sanction of Government, estimates of receipts and expenditure of the Nellore Municipality for the year 1870-71, as passed by the Commissioners at the meeting held on the 14th instant.

No. 98. ORDER THEREON, 12th April 1870, No. 438.

The President of the Municipal Commission, Nellore, submits, with the foregoing letter, the estimates of Municipal receipts and expenditure for the year 1870-71.

2. The sources of estimated receipts are the same as in the current year; and the amounts, as shown in the margin, approximate closely to those last budgeted for. The aggregate is Rupees 20,553-9-5. The Government observe that the Commissioners apparently expect to have no balance in hand on the 1st May 1870. The amount of State contribution to be received during the year should be arrived

at by adding the estimated amount due on that account, after adjustment of the contribution for 1869-70, to three-fourths of the estimated contribution for 1870-71. The Government, however, assume that the amounts arrived at will not be more than is entered in the present estimate, and do not think it necessary to return it for revision. The Commissioners, however, should understand that all funds at their disposal should be shown in Statement C., in order that Government may be able to determine whether or not the imposition of the taxes proposed by the Commissioners is necessary.

The Government observe
that the Commissioners
apparently expect to have
no balance in hand
on the 1st February 1870 -

The amount of State
Contribution to be received
during the year should
be arrived at by adding
the estimated amount
due on that account,
after adjustment of the
Contribution for 1869-70,
to three-fourths of the
estimated contribution
for 1870-71. The Government
however, assume
that the amounts arrived
at will not be more
than is entered in the
present estimate,
and do not think it
necessary to return the
estimate for revision.

The Commission:

= 250

Commissioners, however,
should understand
that all funds at their
disposal should be
shown in Statement
C. in order that Govern-
ment may be able to
determine whether the
imposition of the taxes
proposed by the Com-
missioners is necessary.

number of latrines to
be built for the sum
of Rs 1200 should have
been stated. The
Government desire that
an inter-visit annual
report, full particulars,
with, if possible, plans,
may be furnished as to
the scope and present
state of advancement
of the Reservoir supply
project for expenditure
in connection with
which a sum of Rs 800
has been provided.

The estimates are
sanctioned.
