No. 107. ORDER THEREON, 12th April 1870, No. 447.

The Government resolve to communicate the foregoing papers to the President of the Municipal Commission, Madras, for the information of the Census Committee.

2. The Committee will, doubtless, recognise the necessity, in order that the results of the Madras enumeration may be uniform with those of the Imperial Census, of adopting in Madras the form of enumerators' return and the classification of ages prescribed by the Government of India in lieu of those proposed in the Committee's Memorandum, recorded in the Proceedings of Government noted in the margin.

10th Sept. 1869, No. 1267.

3. The further postponement of the census till November 1871 renders it necessary that the census of Madras should also be deferred so as to be contemporaneous with the Imperial census.
