*Proceedings of the Madras Government, Public Department,
20th April 1870.*

No. 132. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 8th April 1870, No. 12.

Book Department.]

I have the honour to forward copy of a letter from the Acting Deputy Inspector-General of Ordnance and Magazines in charge, Ordnance Office, No. 5, dated 4th instant, and of its enclosure, and to request that the Government will obtain from the Right Honourable the Secretary of State for India additional invoices of Stationery Stores by the vessels mentioned in the Stationery Superintendent's letter, No. 672, dated 4th March 1870, for communication to the Superintendent.

From the Acting Deputy Inspector-General of Ordnance and Magazines in charge of Ordnance Office, to the Accountant-General, Madras, dated Fort Saint George, 4th April 1870, No. 5.

I have the honour to forward, herewith, copy of a letter* from the Superintendent of Stationery, and to request you will be so good as to take such measures as may be necessary for the Invoices of Stores therein alluded to being furnished to the Superintendent as early as possible.

* No. 672, 31st March 1870.

2. I take this opportunity to state that the omission of prices in Invoice of Stationery have frequently been brought to notice by the Superintendent, and as such omission causes the retarding of the timely adjustment of accounts and valuation of stores, I beg to request that Government may be requested to move the Home Authorities to have all invoices complete before they are despatched, or that supplemental invoices be furnished as soon afterwards as possible.

From the Superintendent of Stationery, to the Inspector-General of Ordnance and Magazines, dated Fort Saint George, 31st March 1870, No. 672.

I have the honour to report that the prices not being given in the Invoice lists of articles received from England ex *New Era*, *Mars*, *Clarence*, *Renown*, and *Derwentwater*, I shall be unable to give the value of the receipts and issues of stores in my annual report for the official year 1869-70.

2. A large quantity of lithographic plate paper and other articles having been received here for the first time, their rates cannot be assumed, as heretofore, at the former average prices.

No. 133. ORDER THEREON, 20th April 1870, No. 478.

Ordered, accordingly, that application be made to the Home Government for additional invoices of Stationery Stores sent out per ships referred to, supplying the omission now brought to notice.
