Proceedings of the Madras Government, Public Department,
11th January 1870.

Read again letter from the Protector of Emigrants, dated 13th December 1869, No. 148-M, and recorded in Proceedings of Government, dated 30th December 1869, No. 1766.

No. 66. Read also the following letter from the Protector of Emigrants, to the Acting Chief Secretary to Government, Fort Saint George, dated Madras, 6th January 1870, No. 2-W.

With reference to the Proceedings and Order of the Madras Government, dated 30th December 1869, No. 1766, I have the honour to report, for the information of Government, that the thirty-three coolies who left Pondicherry on the 5th December have not appeared before me here. I can only suppose they have marched direct to their homes in Bengal by road. I beg to suggest that it is possible they might be traced in South Arcot and through other districts, and assistance could then be afforded somewhere *en route*, if discovered.

No. 67. ORDER THEREON, 11th January 1870, No. 50.

Copies of the foregoing letter and of the Proceedings of Government, dated the 30th December 1869, No. 1766, will be furnished to the Collectors of the districts noted in the margin, with instructions to afford the Bengal coolies referred to, should any of them be found in their districts, such pecuniary assistance as may be necessary to enable them to proceed to their homes. Care must, however, be taken that no more aid be given to the coolies by any one Collector than will suffice for their journey to the neighbouring district: a peon should accompany them.

2. Any expense that may be incurred on the above account should be duly reported to Government, in view to the French authorities at Pondicherry being called upon to re-imburse the amount.
