Proceedings of the Madras Government, Public Department,

21st May 1870.

No. 96. Read the following letter from G. VANSAGNEW, Esq., Collector of Cuddapah, to the Chief Secretary to Government, Fort Saint George, dated Guvalchervoo, 21st April 1870, No. 16:—

Adverting to the Proceedings of Government, Public Department, dated 27th September last, No. 1340, I have the honour to transmit, herewith, my Treasury Deputy Collector's report on the examination and audit of the Cuddapah Dispensary Endowment Fund, which I deputed him to undertake.

2. I trust the Accountant-General will find it satisfactory, anyhow I am convinced that it is useless to pursue the matter further, for we have afforded all the information which the means at our disposal admit of.

3. Up to the close of last year Rupees 73,005-15-0 were collected, of which Rupees 20,743 had been spent, and there was a balance of Rupees 52,262-10-0, of which Rupees 50,000 are invested in Government Promissory Notes, and the remainder in the Government Savings' Bank. I will conclude by stating my belief that, while I doubt not a good deal more money was collected from the people, and misappropriated by the native revenue officials, than was ever brought to such account as was kept, none of the money actually brought to account for the Dispensary, however informally, was either misappropriated or misapplied. On the contrary I am of opinion that the expenditure has been well-managed, and that its results are highly satisfactory. The Cuddapah Dispensary is a great success, and that at Madanapally might be the same if it were only provided, in the absence of a Medical Officer, with a really competent subordinate.

From the Deputy Collector of Cuddapah, to the Collector of Cuddapah, dated Cuddapah, 12th April 1870, No. 44.

Referring to your foot-note, appended to Government Order, No. 1340, dated 27th September 1869, Public Department, I have the honour to report, in the accompanying Statement A., the result of my examination, as far as the information at my disposal enabled me to make, of the accounts of receipts and disbursements connected with the Cuddapah Dispensary Endowment Fund.

2. It may be seen from the statement that, since the impost was set on foot, the gross collection, up to 31st December 1868, amounted to Rupees 66,733-4-1, exclusive of Rupees 8000, unauthorizedly diverted to school purposes.

3. The sum of Rupees 59,879-10-5 (inclusive of the 8000 rupees) which figures in paragraph 1 of the Government Order, No. 903, dated 3rd July 1869, appears to be made up of the simple collections realized in the taluqs, as per enclosed Statement B., while at the Sudder station of Cuddapah there was levied for a similar purpose a sum of Rupees 14,853-9-8, which apparently escaped notice at the time of making the report.

4. From the gross collections, therefore, of Rupees 66,733-4-1, deducting the total payments of Rupees 17,518-13-11 made during the whole period, viz., from 1st September 1863 to 31st December 1868, inclusive, there remained on the latter date to the credit of the Endowment Fund a sum of Rupees 49,214-6-2.

5. From the above Statement A. it can also be seen that the sum of Rupees 52,033-4-3*
* Inclusive of Rs. 8000, recovered from Rs. 8000 diverted to schools. figuring in paragraph 5 of the Accountant-General's report embodied in G. O., No. 1340, dated 27th September 1869, was the balance struck on the 15th August 1869.

Proceedings of the Madras Government, Public Department,
21st May 1870.

6. In short, the result of the Fund transactions, closed up to the 31st December 1869, shows
a gross collection of..... Rs. 73,005 15 0
Against a payment of..... „ 20,743 5 0
Leaving a clear balance of „ 52,262 10 0 in favour of the Fund.

No. 97. ORDER THEREON, 21st May 1870, No. 645.

The report of the examination and audit of the Cuddapah Dispensary Fund will
be submitted to the Accountant-General.

2. Mr. Agnew will report to the Government the evidence upon which he has
based his opinion that a good deal of money collected on account of the Dispensary
was misappropriated by the revenue officials of the Cuddapah District, and whether
he has taken any steps for bringing these officials to justice.
