*Proceedings of the Madras Government, Public Department,
15th January 1870.*

No. 74. Read the following Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor in Council, Fort Saint George, dated India Office, London, 9th December 1869, No. 15, (Sanitary.)

The Despatch of your Excellency in Council, dated 4th August (No. 26) 1869, forwarding a copy of the Administration Report of the Madras Municipality for the year 1868, has been considered by me in Council.

2. I regard this report as very favourable. The administration of the Municipality appears to have been conducted with great judgment and prudence, the income has been realized with punctuality, and the expenditure has been regulated with due economy. I fully approve of the orders issued by your Lordship in Council for the provision of additional latrines, and the extension of the lighting of the Town.

3. The mortality in the town was slightly less than in preceding years, but the prevalence of small-pox of a severe type has prevented the health report from being as favourable as it might have been under ordinary circumstances.

No. 75. ORDER THEREON, 15th January 1870, No. 64.

Ordered that this Despatch be communicated to the President of the Municipal Commission, Madras, and that it be laid on the Editors' Table.
