*Proceedings of the Madras Government, Public Department,
30th May 1870.*

No. 128. Read the following letter from the Officiating Under Secretary to the Government of Bengal, General Department, to the Chief Secretary to Government, Fort Saint George, dated Fort William, 5th May 1870, No. 1303.

I am directed by the Lieutenant-Governor of Bengal to forward, herewith, an extract from a letter, No. 1283, dated the 20th ultimo, received from the Meteorological Reporter to this Government, and to request that you will be good enough, with the permission of His Excellency the Governor of Madras, to issue instructions that Mr. Blanford may be supplied with a complete series of the Meteorological observations recorded at the Madras Observatory.

EXTRACT from a letter from the Meteorological Reporter to the Government of Bengal, to the Secretary to the Government of Bengal, General Department, dated Calcutta, 20th April 1870, No. 1283.

Para. 2. Also that the Government of Madras be moved to present a copy of the Meteorological observations recorded at the Madras Observatory, as far as the same have been printed. The series extends, I believe, over twenty years, and is the only continuous register hitherto available for any station in Southern India.

No. 129. ORDER THEREON, 30th May 1870, No. 668.

Resolved that the Government Astronomer be requested to furnish, for transmission to Mr. Blanford, a complete series of the Meteorological observations recorded at the Madras Observatory which have been printed.

(True Extract.)

Chief Secretary.

To the Government Astronomer.
