Proceedings of the Madras Government, Public Department,
8th June 1870.

No. 38. Read the following letter from T. G. CLARKE, Esq., Honorary Secretary and Treasurer of the Monegar Choultry, to the Chief Secretary to Government, Fort Saint George, dated Madras, 7th June 1870:—

I have the honour to state that the Rajah of Vencatagherry is prepared to assign over Government Securities to the extent of one lac of rupees for the purpose of his charity in connexion with the Monegar Choultry. I have been in communication with Mr. Prichard, the Government Solicitor, on the subject, and he concurs with me in opinion that, with the view of facilitating the matter, the securities should be made over by the Rajah to the Government; that the Accountant-General should be instructed to deposit them in the Government Treasury; and that an Order of Government should be passed directing that the interest accruing on the securities to be paid to the Honorary Treasurer of the Monegar Choultry for the time being, for the purpose of meeting the objects of the charity. By adopting the above plan the necessity for a deed of trust assigning the property to trustees, and the appointment from time to time of new trustees, will be avoided.

No. 39. ORDER THEREON, 8th June 1870, No. 733.

Resolved that Mr. T. G. Clarke be requested to obtain the endorsement of the Government Promissory Notes, referred to in the foregoing letter, in favour of the "Collector of Madras for the time being," who will be instructed to draw the interest periodically, and transfer the same to the Honorary Secretary and Treasurer of the Monegar Choultry for the time being.
