*Proceedings of the Madras Government, Public Department,
19th January 1870.*

No. 76. Read the following letter from G. BANBURY, Esq., President of the Municipal Commission, Trichinopoly, to the Acting Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 10th January 1870, No. 1.

With reference to the marginal Government Orders, I have the honour to state that, as Major Williams is about to proceed on furlough to England, the General Commanding Trichinopoly has nominated Captain Bird, Cantonment Joint Magistrate, to be Major Williams' successor as Vice-President of this Municipality. The nomination is, doubtless, the best that could be made.

2. It is only due to Major Williams that I should inform Government how beneficial an interest he has taken for 2½ years in the duties of Vice-President. Not only did he carefully superintend all municipal matters in the cantonment which was under his more immediate charge, but likewise paid much attention to works and measures for the improvement of the town itself.

No. 77. ORDER THEREON, 19th January 1870, No. 73.

Ordered to be recorded.

2. The Government have received with satisfaction Mr. Banbury's testimony to the benefit which the Municipality has derived from Major Williams' zealous discharge of his duties as Vice-President, during the time he has held that office.

(True Extract.)

Acting Chief Secretary.

To the President of the Municipal Commission, Trichinopoly.

My dear Brinckin.

There is no actual
necessity for my bothering
You with this, but Major
Williams has done great
work in our Municipality
and I am in hopes that some
slight recognition may induce
others to do likewise. You
know how hard it is to
get men to really put their
hearts into unrewarded
labour. I am sincerely

Yours sincerely
