Proceedings of the Madras Government, Public Department,
19th January 1870.

No. 80. Read the following letter from the President of the Municipal Commission, Coonoor, to the Chief Secretary to Government, Fort Saint George, dated Ootacamund, 22nd December 1869, No. 65.

In accordance with Proceedings of Government, Public Department, dated the 18th November 1868, Nos. 90 to 92, the Coonoor Municipal Commissioners furnished Rupees 900, being moiety of cost of the new Municipal Police Buildings, and at the same time expressed a wish that they might hereafter be assisted by Government should funds be needed for their future municipal wants. Government in their Proceedings, 8th February 1869, Public Department, and Order thereon, No. 175, said that the wish expressed by the Commissioners would receive consideration when the Municipal Commissioners found it necessary to apply.

2. The Municipal Commissioners in due course made an application for the refund of their Rupees 900. The application (to be found in Proceedings of Government, Public Department, 2nd September 1869, No. 16,) was forwarded to Government with my letter, dated 19th August 1869, No. 46.

The Municipal Commissioners having overdrawn under the head of—

	RS.	A.	P
Government contribution for 1868-69...	619	8	0
The Government in G. O., 2nd September 1869, No. 1234, authorized the Inspector-General of Police to pay to the Commissioners the difference.	280	8	0
	900	0	0

3. Subsequently, on a reference by the Inspector-General of Police, the Government in their Order of 18th October 1869, No. 1434, Public Department, said they were at present unable to sanction the grant of the sum of 900 rupees, and directed the Inspector-General of Police to withhold the payment of the Rupees 280-8-0 mentioned in paragraph 2 *ante*.

4. On receipt of the Proceedings of Government last referred to, the Municipal Commissioners forwarded me the enclosed Extract of their Proceedings (A), dated 27th October 1869, respectfully calling the attention of Government to their previous Order of the 2nd September 1869, (in paragraph 2 *ante*), and desired me to forward the extract (A) to Government.

5. I requested them to re-consider the matter on the ground that, in the present state of the Imperial finances, I thought the reference to Government would be of no use. They repeat their desire to have the extract forwarded.

6. The reference involves not only the Rupees 280-8-0 which was to have been paid in cash to the Commissioners by the Inspector-General of Police, but also the sum of Rupees 619-8-0 which was overdrawn by the Commissioners in the year 1868-69.

*Proceedings of the Madras Government, Public Department,
19th January 1870.*

*Extract from the Proceedings of the Coonoor Municipal Commissioners held on the 27th
of October 1869.*

Paragraph 5. Read Proceedings of Government, No. 73, and Order thereon, No. 74, dated 18th October 1869. The Commissioners beg respectfully to call the attention of Government to their first Order, Nos. 16 and 17, of the 2nd September 1869, wherein they clearly sanctioned the payment of Rupees 280-8-0 through the Inspector-General of Police, the more so as funds are greatly needed.

(Signed) F. G. HODGSON, Major,
Vice-President.

No. 81. ORDER THEREON, 19th January 1870, No. 75.

The Order of the 2nd September 1869, No. 1234, was passed under the supposition that the grant of Rupees 900, originally sanctioned in aid of the construction of Police huts in the Municipality of Coonoor, had not been disbursed.

2. The Government, on learning that this supposition was erroneous, declined (G. O., 18th October 1869, No. 1434,) to advance the other moiety of the cost of the huts. The Order of the 2nd September was thus cancelled.

3. The sum of Rupees 619-8-0 overdrawn by the Commissioners on account of Government contribution for 1868-69 remains to be refunded by the Commissioners. The Commissioner of the Neilgherry Hills will call upon them to adjust this sum, and will stop the payment of instalments yet to be paid on account of State contribution for the current year, until the adjustment is effected.

4. The President of the Commission will report what progress has been made in the construction of the huts.
