Proceedings of the Madras Government, Public Department,
22nd June 1870.

No. 82. Read the following letter from the Acting President of the Municipal Commission, Vizagapatam, to the Chief Secretary to Government, Fort Saint George, dated Vizagapatam, 30th May 1870, No. 195:—

Under Section 29 of the Towns' Improvement Act, I have the honour to request that the sanction of Government may be accorded to the Municipal Commissioners of this town levying a toll of three pies per ton on all ships and dhonies entering the river at this port.

2. The application is made under the following circumstances:—The Municipality keep in repair a road on the southern bank of the river, which was constructed to enable ships entering to be warped in. The road was originally made for this purpose by the former voluntary Municipal Association. As the existing Municipality keep it in repair, it seems only fair that they should be allowed to levy a toll from those who principally benefit by it.

No. 83. ORDER THEREON, 22nd June 1870, No. 777.

The Government are unable to sanction the proposal to levy tolls on the shipping entering the river at the port of Vizagapatam.
