*Proceedings of the Madras Government, Public Department,
23rd June 1870.*

No. 90. Read the following letter from the Protector of Emigrants, to the Chief Secretary to Government, Fort Saint George, dated Madras, 15th June 1870, No. 74-M. :—

With reference to the Order of Government, Public Department, of 19th May 1870, No. 633, on a letter from the Protector of Immigrants at Mauritius, dated 14th April 1870, No. 36-70B., I have the honour to report, for the information of Government, that the ship *Inverdrue*, Captain J. Peter, left Mauritius on the 14th April last, with 141 return emigrants and forty-three passengers, and arrived at Tranquebar on the 5th May last, where she landed them. With regard to the treatment they experienced on board during the voyage, I beg to forward copy of a letter from the Acting Superintendent of Customs, Tranquebar, to the Acting Sub-Collector, Tanjore, dated 3rd June 1870, by whom the emigrants were examined. The emigrants appear to have been treated well on board.

2. Another vessel, the *Robert Passenger*, left Port Louis on April 25th, 1870, with sixty return emigrants for Tranquebar. I have written to inquire how these emigrants were treated, and will report the result.

3. On this subject I respectfully beg to bring to the notice of Government that the practice of shipping return emigrants to Tranquebar, or other ports where there is no Protector of Emigrants, should be put a stop to. Emigrants should be shipped either for Karikal, ten miles south, or Pondicherry, about fifty miles north, of Tranquebar. At both these ports there is a Protector of Emigrants, and emigrants who wish to land further north can be shipped for Madras.

4. The returns required as to the treatment of emigrants, amount of savings, &c., cannot be obtained from Superintendents of Customs, and officers not accustomed to deal with emigrants; and no practical inconvenience would be caused to emigrants who wished to be landed at Tranquebar, if they are landed at Karikal or Pondicherry.

5. I beg, therefore, if the Government agree in my opinion, that the Government of Mauritius and Reunion may be addressed on this subject.

From the Acting Superintendent of Customs, to the Acting Sub-Collector of Tanjore, dated Tranquebar, 3rd June 1870.

With reference to your order of the 1st instant, No. 25, forwarding papers connected with the *Inverdrue*, I beg to report that the vessel arrived here from Mauritius with 141 return emigrants and forty-three passengers on the 5th ultimo. On my questioning them regarding the treatment they experienced during the voyage, they informed me that the Captain was very attentive and kind towards them; that they had sufficient water for use; and that no restriction whatever was put on them. Hitherto it has not been the practice of granting a certificate of delivery, nor did other Captains coming with return emigrants apply for one. The report alluded to by the Captain is the weekly report submitted to you of the arrival and departure of vessels.
