*Proceedings of the Madras Government, Public Department,
28th June 1870.*

No. 108. Read the following letter from the President of the Municipal Commission, Cocanada, to the Chief Secretary to Government, Fort Saint George, dated Cocanada, 18th May 1870, No. 6:—

I have the honour to furnish the information called for in the Government Proceedings, No. 550, under date the 4th instant.

2. Certain bye-laws, which provide also for the levy of a fee on temporary pandals and woodyards, are submitted for sanction. These rules received the sanction of Government, and are now adopted in the Municipality of Guntoor.

3. In respect to the falling off in the receipts from tolls, noticed by Government in paragraph 3, it is to be explained that the estimate for 1870-71 was based on the amount for which the tolls were sold in 1869-70. The actual sale since made is below the estimate, the highest bid being only Rupees 1225 for the six months from May to October 1870. This result is ascribable to the present depressed state of trade owing to the yield of the later dry crops having been scanty.

Bye-laws.

1. No person shall put up a pandal or shed or other erection in or across a public street on occasion of wedding and similar ceremonies without the written permission of the Commissioners previously obtained; and a fee of four annas a day on temporary erections intended to enclose a space of less than sixty square feet; and that of eight annas a day for those of above sixty square feet will be imposed, before permission for their erection in the public street is granted by the Commissioners. Every temporary erection across a street shall not be less than twelve feet in height to allow of the free passage of carts underneath.

2. The following rates of fees for licenses will be charged on dangerous trades, &c., under Sections 114 and 115:—

				Per annum.
