Proceedings of the Madras Government, Public Department,
 13th July 1870.

No. 25. Read the following letter from the Protector of Emigrants, to the Chief Secretary to Government, Fort Saint George, dated Madras, 14th June 1870, No. 72.—

With reference to the Order of the Madras Government, Public Department, of 4th April 1870, No. 381, I have the honour to forward five Returns, showing the number of coolies who have left Madras, Pondicherry, and Karikal, for British and Foreign Colonies; the number who have returned, men, women, and children, respectively; also accounts of the sums of money remitted from the Colonies, and brought back by the returning emigrants during the year 1869.

2. With reference to the remarks in Return No. 1, I have the honour to request that the Madras Government will be good enough to cause inquiries to be made through the Protector of Immigrants, Mauritius, whether the fifty-one immigrants, who left Port Louis in the ship *Howard* on the 6th June 1869, brought away with them any savings or not, I have very little doubt that almost all these immigrants had saved some money, but sometimes they will not, when asked, confess to possessing any money, imagining, I suppose, that some of it might be demanded by Government officials here.
