Proceedings of the Madras Government, Public Department,
13th July 1870.

No. 28. Read the following letter from the President of the Municipal Commission, Calicut, to the Chief Secretary to Government, Fort Saint George, dated Calicut, 13th June 1870, No. 24 :—

I have the honour to bring to the notice of Government that the funds* of the Calicut Municipality are at present very low, and that money is urgently required for the current expenses of the Municipality, and for some of the works adverted to below, which it is very desirable should be carried out without delay.

2. The collections from the house and land-tax, the most important item of revenue, will commence only after the first quarter of the current Municipal year, and much undesirable delay will ensue if the execution of the works is to be put off till funds accrue from current collections.

3. The most important of the works to be undertaken, and what the Municipal Commissioners are most anxious to put in hand at once, are the alterations to the old jail building to adapt it to a market-place, and provide accommodation therein for the Town Sub-Magistrate and the Subsidiary Jail.

4. The buildings do not require a large expenditure, and an income of 100 rupees a-month will probably be realized as rent ; so the Municipal Commission are virtually losers to that extent, and further the removal of the Town Sub-Magistrate to the building in question is much to be desired, as his Court is now held in the heart of the busiest street in the town, in a building having no proper accommodation for prisoners.

5. Under these circumstances, I have the honour to request that a moiety of the Government grant for the current year may be advanced to the Municipality on receipt of this letter as a special case. It will amount to Rupees 4341-13-4 according to the estimate sanctioned in G. O., dated 29th April 1870, No. 533.

6. I beg to add that the payment of two years' police charges last year has chiefly led to the Commissioners being out of funds just now.

No. 29. ORDER THEREON, 13th July 1870, No. 861.

The Government do not object to the concession asked for by the Municipal Commissioners of Calicut, and sanction the disbursement of Rupees (4341-13-4) four thousand three hundred and forty-one, Annas thirteen, and Pice four, being a moiety of the sanctioned State contribution for 1870-71.

2. The payment is to be considered as an advance of the first two quarterly instalments ordinarily payable in arrears ; and unless it shall be found at the end of the second quarter, with reference to the collections up to that time, that more than half the sanctioned contribution is then due, no further disbursement should be made till the end of the third quarter. If more than half is found to be due at the end of the second, the excess may be then disbursed.
