Proceedings of the Madras Government, Public Department,
18th July 1870.

No. 71. Read the following Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 12th May 1870, No. 47, (Public):—

I have had before me in Council the Despatch of your Excellency in Council, dated 25th January last, No. 10, relative to the proposed insertion, in Charter Parties, of a clause which would make the rules in force on board French vessels binding on the Commanders of English ships taken up for the French Emigration Service.

2. I transmitted to Her Majesty's Secretary of State for Foreign Affairs, for communication to the French Government, a copy of these papers, and called the attention of the Earl of Clarendon to the concluding paragraph of your Secretary's letter of the 12th of January last, No. 169, to the Secretary to the Government of Madras, adverting to the employment on board emigrant ships of other than European Surgeons, and expressing the desire of your Government that, in future, the stipulation made in Article XIV. of the French Convention that every emigrant vessel should carry a European Surgeon may, in future, be strictly observed.

3. The necessary communication was made by Her Majesty's Ambassador at Paris to the French Government, and M. Emile Olliver, in thanking Lord Lyons for the same, has stated that he would at once forward its contents to the French Ministers of Marine and of the Colonies.
