*Proceedings of the Madras Government, Public Department,
26th July 1870.*

No. 114. Read the following Proceedings of the Board of Revenue, dated 23rd June 1870, No. 4353 :—

Read the following letter from the Acting Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Sydapet, 30th May 1870, No. 188 :—

In reply to the Board's Proceedings, dated the 10th instant, No. —, I have the honour to state that the Dispensary at Conjeveram is now located in the Cholera shed, erected by the Municipality in December last, as the tents, which were lent for the purpose by a native gentleman, had become unfit for use.

2. The shed has none of the conveniences that a hospital should possess, and the accommodation it affords is insufficient. As, owing to the present financial difficulty, the Government may not be in a position to contribute their share of the cost of erecting the Dispensary, I propose that, with the private subscriptions now in hand, and which amount to about Rupees 5000, the building be commenced forthwith, and a portion erected to the extent that the funds will permit, leaving it to be completed when the Government are able to allot funds for the purpose.

3. I may add that, in October last, Mr. Thornhill suggested to the Superintending Engineer the expediency of his addressing Government and obtaining their sanction to the above proposal, but I am not aware what steps were taken by the Superintending Engineer in consequence.

Submitted to Government, with reference to Government Order, dated 29th April 1870, No. 535.
